The Court orders that the motion for peremptory reversal is GRANTED. As conceded by petitioner-appellee in its brief on appeal, the trial court erred by failing to inform appellant of the consequences of her plea at the adjudication proceeding. *In re Ferranti*, 504 Mich 1; 934 NW2d 610 (2019). Thus, we VACATE the trial court's September 5, 2019 order terminating appellant's parental rights and REMAND this case to the trial court for further proceedings consistent with this order.

We do not retain jurisdiction.
